PARTNER | EISNER ADVISORY GROUP LLC

Alexandra Colman is a Tax Partner in the Corporate Tax Group, with nearly 15 years of public accounting experience. Allie serves clients in a variety of industries, including manufacturing, retail and distribution, technology, life sciences, pharma as well as start-up tech, and internet base companies.

Allie works with large domestic and international corporations, both public and private. She advises her clients on the tax implications reorganizations, acquisitions, transfer pricing, and doing business in new jurisdictions. Allie is one of the firm's technical specialists in tax provisions (ASC 740) and leads the training initiative in this area within EisnerAmper University including equity compensation, purchase accounting, uncertain tax positions.

Allie manages the compliance progress for large global, multistate corporations, and has experience with partnerships and closely held corporate structures. She handles income tax audits performed at the IRS and state levels and has resolved penalty assessments for various clients of the firm.

Allie is passionate about supporting the search for a cure for multiple sclerosis and is involved with the National Multiple Sclerosis Society and Enable Inc., a local 501(c)(3) aiding those with developmental disabilities.

Additionally, Allie is on the steering committee of the Women of EisnerAmper and coordinates external events to foster community and growth for women.

Prior to joining the firm, Allie worked for a Big 4 accounting firm, serving in a staff role within its U.S. Corporate Tax Group.
