ACG ATLANTA ANNOUNCES 40 FASTEST--GROWING COMPANIES IN GEORGIA
Honorees are recognized at the Celebration in June and via an Online Platform

May 18, 2023: ATLANTA - The Atlanta Chapter of the Association for Corporate Growth® (ACG), a global professional organization with the mission of Driving Middle-Market Growth®, today announced the 2023 Georgia Fast 40, recognizing the top 40 fastest-growing middle-market companies in Georgia.

“The companies being honored this year exemplify ACG’s focus on driving middle-market growth and demonstrate the strength and significance of this sector in Georgia,” said Meg Williams, Executive Director of the Association for Corporate Growth’s Atlanta chapter.

Applicants were required to submit three years of verifiable revenue and employment growth records, which were validated by the national accounting firm and founding Diamond sponsor, Cherry Bekaert LLP. An ACG Committee evaluated each company and conducted in-person interviews with all qualified applicants. All companies on the list are for-profit and headquartered in Georgia. These firms reported 2022 year-end revenues ranging from \$15 to \$500 million. ACG Atlanta will announce additional honorees with revenues up to \$1 billion in the next coming weeks.

“These 40+ companies represent almost 10,000 new jobs and over 2.6 billion dollars in revenue growth over the last three years,” said Brooks Morris of the Georgia Fast 40 Awards and principal with Cresa. “In speaking with many of the CEO’s, the supportive business environment and accessibility of capital are contributors to growth. By far the biggest challenge is the tightness of the labor market. We are proud to honor these companies and look forward to learning more insights online and at the celebration in June.”

ACG Atlanta will present the awards and ranking at the 2023 Georgia Fast 40 celebration at the Buckhead Theatre on June 27, 2023. Single tickets for ACG Members can be purchased online at <http://www.acg.org/atlanta>.
