

Jim McVeigh

CEO & Founder

CDX Advisors and Cyndx

Founder and CEO of Cyndx Holdco Inc which operates CDX Advisors and Cyndx. CDX Advisors provides a unique set of investment banking services to growth companies in the TMT sector. We combine a highly experienced team of bulge-bracket trained advisors with a suite of technology tools using AI, deep learning and NLP along with a massive proprietary database to provide differentiated insights and deliver superior outcomes for our clients. Cyndx is a financial technology company reimagining how people discover business opportunities. Cyndx has developed and continues to refine a SaaS platform, powered by AI, deep learning and NLP-driven algorithms, that enables companies, advisors and investors to see relationships and emerging opportunities.
