ABOUT PRIVATE EQUITY C-SUITE NETWORK (PECS)

PECS gathers CFOs, COOs, CCOs, and GCs of middle-market private equity firms to interpret and navigate the finance, operational, compliance and regulatory issues affecting the industry. PECS is currently comprised of 85 invitation-only members from approximately 60 private equity firms.

MEMBERSHIP BENEFITS

Once approved, qualified members will gain access to the following suite of membership benefits:

- Unparalleled networking with like-minded executives - PECS members build relationships with some of the most prominent private equity professionals in the industry.
- Invitations to ~4 members-only, in-person events at no additional cost.
- Access to monthly Zoom calls:
 - Relevant, timely topics - agenda items are driven by member interests
 - Peer-led discussions
- Access to PECS group discussion board - connect with other members in between meetings. Members use the discussion board to share best practices, referrals and solve problems typical to their role.
- Subscription to weekly private equity-related content and news - relevant content is curated and distributed for your consumption.
- Discounted event registration for hundreds of [ACG's](#) annual events, tailored for middle-market professionals.
- Discounted subscription to [GF Data](#), offering the most reliable data on private-equity-backed middle-market transactions through quarterly reports and an extensive online valuation tool.
- Discounted rates for Middle Market Growth advertising and media packages, with a link to the media kit page. <https://middlemarketgrowth.org/advertise/>
