

## Annual Sponsorship

The Annual Sponsorship package is ACG Wisconsin's most comprehensive program, offering 32 member firms year-round exposure beginning September 1, 2025, at the chapter's monthly meetings, summer networking events, and special events.

It is very simple – there are no special deals and just one class of sponsorship.

Benefits include:

- Your logo included on every meeting invitation email sent from ACG Wisconsin.
- Your logo displayed on two different sets of banners during ACG Wisconsin member events.
- Your logo and URL link included on the ACG Wisconsin website. *This includes a brief description and contact information on the site.*
- Your logo on a variety of printed formats, including table top displays, meeting program booklets and signage.
- Your logo projected at the front of the room prior to ACG Wisconsin meetings.
- Your organization featured on a rotational billboard ad on the ACG WI website.

Annual Sponsor: \$4,500

### ACG WI NextGen Sponsor

The NextGen program holds 7-8 meetings per program year and has averaged 60 individuals in membership the past two years.

### ACG WI Women's Network Sponsor

The Women's Network holds 2-3 events per program year and has been a great opportunity to connect members and non-members alike for unique networking opportunities.

### Corporate Development Series

The Corporate Development Series offers an interactive format that focuses on the various stages of the corporate M&A cycle. This forum provides opportunities for corporate M&A professionals to exchange best practices, share tools and techniques, and stay current on industry trends.

This series is exclusively open to ACG WI members and guests in Corporate and Private Equity roles, and we look to holding at least two programs per year.
