

About ACG

Founded in 1954, the Association for Corporate Growth (ACG) (www.acg.org) is the premier association for professionals involved in corporate growth, corporate development, and mergers and acquisitions. ACG promotes the interest of its members, who have assumed leadership roles in strategic corporate growth, by offering a forum for quality programs, education and networking. ACG has over 14,000 members across 58 chapters throughout North America, Europe, and Asia. The Boston and Connecticut chapters are two of the most active markets in ACG, representing over 750 members, including private equity investors, investment bankers, c-level executives of mid-market companies, lenders & M&A related service providers.

ACG New England Fall Conference-

Purpose: This event is intended to bring together M&A professionals from New England and across the Northeast who are actively investing in or advising lower middle market businesses (defined as independent companies with generally less than \$15m in EBITDA, and including those business owners interested in exploring an M&A process, whether they are buying, selling or exploring growth partners.

Audience: PE investors, Boutique Investment Bankers, Lenders, C level executives from lower middle market companies and M&A Advisors.
