

## CONNECTING AG LEADERS AND INVESTORS

The Ag Conference brings together executives, dealmakers and advisors who grow, lead and advise agriculture businesses. For the fourth year, ACG brings this event to the broader M&A community out of a commitment to facilitating growth in a critical segment of the U.S. economy.

### 2024 ATTENDEE SNAPSHOT

### 2024 PARTICIPATING FIRMS

### CONFERENCE HIGHLIGHTS

PANEL SESSIONS WITH  
INDUSTRY THOUGHT LEADERS

EXCLUSIVE NETWORKING  
OPPORTUNITIES

GUIDED TOURS OF THE DONALD  
DANFORTH SCIENCE CENTER

Expert-led panel discussions will address the latest trends and investment opportunities across the agricultural supply chain, from field to processor. The schedule includes time for attendees to make new business relationships, connect with members of their existing network and generate new sources of deal flow throughout this industry-focused event.

### SESSION TOPICS

- State of the ag market
- Seeds, pesticides and biologicals
- Emerging technology in the industry
- Government policy and regulation in ag and bioenergy
