# President's Message

Since its founding in 1954, the Association for Corporate Growth (ACG) has played a vital role in advancing middle-market growth, connecting over 14,500 members across 50+ chapters worldwide. ACG Dallas-Fort Worth, the nation's third-largest chapter, represents a robust and growing community of middle-market professionals in North Texas and beyond.

Members benefit from high-impact programs and curated experiences, culminating in the annual Texas Capital Connection conference. Guided by an active board and dedicated committees, ACG DFW creates opportunities for meaningful connections and long-term business relationships. Sponsorship offers a valuable platform to elevate your firm's visibility, engage with key decision-makers, and contribute to regional economic growth. We invite you to explore 2026 sponsorship opportunities with ACG Dallas-Fort Worth.
