

ACG DealSource®, ACG Capital Connection®, and One-on-One Meeting Events

ACG DealSource, ACG Capital Connection, and One-on-One Meeting Events are a highly anticipated highlight for ACG members, offering an excellent opportunity for Private Equity and Investment Banking professionals to connect in focused one-on-one meeting formats. These flagship events provide dedicated space with tables for individual meetings, and attendees have the chance to pre-schedule meetings with other participants via a scheduling platform or shared attendee list. In some cases, access to the registration and scheduling platform (ACG Access) may be restricted to select groups, so it's recommended to check the host chapter's event website for additional details.
