

ORACLE

# The ACG® & NetSuite Partnership

## INTRODUCING A NEW MEMBER BENEFIT FROM ACG

ACG is pleased to announce a strategic partnership with **Oracle NetSuite**, giving our members exclusive access to a leading Cloud ERP system. This collaboration is designed to help growth-focused businesses streamline operations, enhance visibility, and scale with confidence.

### About NetSuite

NetSuite is a leading **Cloud ERP**, trusted by tens of thousands of organizations globally to increase productivity, improve efficiencies, and provide real-time visibility and control across all key business functions.

### A Unified, Cloud-Based Platform

NetSuite provides an integrated suite that includes:

- Financials / Enterprise Resource Planning (ERP)
- Inventory & Supply Chain Management
- Human Resources
- Professional Services Automation
- CRM & Customer Engagement
- Ecommerce & Omnichannel Commerce

*With deep cross-industry expertise, NetSuite can be tailored to the needs of businesses of all sizes—from early-stage companies to global enterprises.*

## EXCLUSIVE ACG MEMBER PRICING: APPA PREFERRED RATES

Through the **Associations Preferred Pricing Agreement (APPA)**, ACG members gain access to exclusive, predictable pricing.

- Competitive discounted rates for NetSuite Starter, Standard, and Premium Editions
- Price lock for a pre-determined period of time at the initial discounted rate
- Renewal rate increase caps

*(Exact discount details are available to members only.)*

This preferred pricing empowers ACG members to adopt NetSuite with confidence and long-term cost stability.

### Additional Benefits for ACG Members

#### Educational Opportunities

- Joint ACG–NetSuite webinars
- Podcasts and expert interviews
- In-person learning sessions
- Presentations at ACG chapter and national events

#### Dedicated Industry Support

- Access to NetSuite's specialized Associations & Buying Groups team
- Best practices and insights tailored to the corporate growth, M&A, and middle-market community
- Connections across NetSuite's extensive partner and solutions network

#### Centralized Support & Guidance

- An assigned point of contact for ACG members
- Assistance with questions, scoping, and escalations
- Ongoing support to ensure long-term success
