OPPORTUNITIES TO CONNECT AND LEARN

There are a variety of opportunities to expose and engage your firm with people from corporate, private equity, finance, and professional service firms. Take advantage of the events offered by ACG Arizona to shine the spotlight on your company at the following:

A Celebration for Leadership Our annual September meeting is a celebration of the impact of leadership on our business community. This year's event will celebrate our 21st anniversary and feature a panel discussion on what's next for Arizona's business community.

Networking Breakfast Events: Each season we host three Networking Breakfasts at the Arizona Biltmore resort. Mix, mingle, and network with professionals over coffee before enjoying a plated breakfast and a presentation from our featured speaker.

Social Events: The ACG Arizona Summer Social in August and Holiday Social in December are great opportunities to network in an upscale reception atmosphere. These events provide a great opportunity to bring a colleague to meet your fellow ACG members.

A Taste of Private Equity: This popular wine tasting event is back for Fall 2026. Enjoy Arizona wines and appetizer pairings with representatives from the Valley's top private equity firms.

Spring Social: Each year ACG Arizona picks a fun outdoor sporting event, such as Spring Training or golf, for our Spring Social.

Speaking Opportunities: Throughout our annual programming, there are many different opportunities for annual sponsors to participate in speaking engagements or make remarks from the stage.
