

2026 SoCAL Capital Summit
October 20th 4:00 pm – 7:30 pm
Sponsorship Opportunities

Background

Event Purpose

ACG Orange County is inviting a panel of respected senior economists from the banking world to share their perspectives on the state of the capital markets and how conditions may influence M&A activity going forward.

Event Audience

Senior executives across the mergers & acquisition spectrum, including private equity, investment banks, VC's, family office, and corporate leaders. The event, which also includes individual breakout sessions aligned with key industry verticals, reaches professionals advisors across Southern California. It annually attracts some 200 attendees.

Program
