Event Overview

The inaugural ACG Denver Women's Network Summer Summit brings together women leaders, dealmakers, advisors, and rising executives for an energizing experience centered on joy, growth, and bold leadership. Designed to spark authentic connection and elevate meaningful conversations, the dynamic and unique program includes a networking reception, an inspiring keynote speaker, and a curated marketplace showcasing women-owned, Colorado-based businesses. Together, these elements create an engaging environment that celebrates the women driving Colorado's middle-market business community while fostering connection and shared momentum.

Sponsoring the Summer Summit aligns your organization with ACG Denver's network of middle-market leaders across private equity, corporate, finance, and professional services. Sponsors gain meaningful visibility before, during, and after the event through integrated brand exposure and direct engagement opportunities across key touchpoints throughout the experience.

Each sponsorship has been designed to create meaningful visibility and memorable brand moments throughout the Summer Summit. Opportunities are limited and available on a first-commitment basis. We welcome the opportunity to customize your sponsorship presence and help your brand stand out at this inaugural event.

To discuss availability and confirm your sponsorship, please contact Kynnie Martin at kynnie.martin@acg.org
