“One of my greatest privileges during my time on the board of ACG Denver has been helping invest in future leaders. Through Leadership 20 and our Young Professionals programs, I've had the opportunity to watch emerging leaders grow, gain confidence, and build lasting connections. Seeing these leaders strengthen our industry and contribute to our community is the legacy I'm most excited about. ACG Denver is the place to be for Denver business leaders.”

Dirk Dykson, Portocol Business Strategies, L20 Program Chair
