S P O N S O R E D B Y :

We read daily about private equity-backed deals in play, but what does it take to successfully get one over the goal line? Learn the art and science from the perspective of an investment banker, a PE group pro, an M&A attorney, as well as the owner of a company that sold to a private equity group.

Among the topics we will focus on:

- Deal Sourcing
- Finding the Right PE Group Partner
- Negotiating Transaction Terms
- Due Diligence and Risk Mitigation
- Post-Acquisition Value Creation

With hearty hors d'oeuvres, wine, and robust networking – both before and after the panel – this ACG OC Academy event is a true insider deal. Register TODAY!
