ACG St. Louis

Dear fellow business leader:

While the current business world seems to be full of ever-changing challenges, the Association for Corporate Growth (ACG) remains a consistent, long-term partner supporting the personal, professional, and corporate growth your team seeks. ACG was founded in 1954 and remains the premier global organization for professionals involved in driving top line growth through internal initiatives, strategic partnerships, and mergers and acquisitions.

Today, global ACG membership exceeds 14,000 members from large corporations, small and mid-sized privately owned companies, institutional investors, and professional service firms organized across 61 chapters in the United States, Canada, and Europe.

In St. Louis, there are 400 ACG members that are decision makers in many of St. Louis' leading companies. The St Louis chapter is recognized for its member engagement and consistently “punches above its weight” relative to larger metro areas. Thanks to the support of our chapter sponsors, our top-notch executive team, and our volunteer board, our chapter held over 50 events last year, both large and small, with over 3,500 attendees actively participating. These events provide exceptional exposure for sponsoring firms and opportunities for your team members to engage with local and visiting business leaders.

Corporate executives, intermediaries, advisors, and investors find ACG membership to be highly valuable. Joining ACG provides you with opportunities to become part of a global community of people with similar interests and goals, to learn from world-class speakers, and to share best practices with some of the country’s leading business minds. Sponsoring ACG St. Louis provides front row exposure to these leading companies and their people, while delivering unique opportunities for growth.
I invite you to consider sponsorship of ACG St. Louis to support your business goals. If you need more information or have any questions, please visit our website at www.acg.org/stlouis or reach out to our chapter staff or board members.

I am available to talk anytime and look forward to hearing from you.

Best Regards,
Zach Waltz
