May 22, 2017: ATLANTA -- The Atlanta Chapter of the Association for Corporate Growth® (ACG), a global professional organization with the mission of Driving Middle--Market Growth®, today announced the 2017 Georgia Fast 40, recognizing the top 40 fastest--growing middle--market companies in Georgia.

“The companies being honored this year exemplify ACG’s focus on driving middle--market growth and demonstrate the strength and significance of this sector in Georgia,” said Melanie Brandt ACG Atlanta’s Executive Director

Applicants were required to submit three years of verifiable revenue and employment growth records, which were validated by national accounting firm and founding Diamond sponsor, Cherry Bekaert LLP. An ACG Selection Committee evaluated each application and conducted in--person interviews with all qualified applicants. All companies on the list are for profit and headquartered in Georgia.
