

## **Robert Horn**

### **Assistant Vice President**

Alliant Management & Professional Solutions Group

Office Location: New York, NY

Experience: 13 Years

Robert Horn is an Assistant Vice President within the Alliant Management & Professional Solutions Group. The group advises and services the directors & officers liability, errors & omissions liability (including information security & privacy liability), employment practices liability, fiduciary liability, and fidelity insurance needs of Alliant's commercial and nonprofit clients. As the lead E&O/Cyber placement broker, Robert translates this expertise into the placement of customized Cyber, professional liability and specialty E&O policies for the firm's commercial and nonprofit clients. Robert also works closely with Alliant's Mergers & Acquisitions group performing pre-acquisition due diligence work and post-close placements for his Private Equity portfolio clients.

Prior to Alliant, Robert was an Assistant Vice President at a national wholesale broker. He started as an underwriter for a major Managing General Agent underwriting all lines of Management and Professional Liability.

Robert Horn received his Bachelor of Arts in History from Loyola College. He is a member of the Professional Liability Underwriting Society (PLUS).
