Sara Schaeffner: CXO, Dependable Cleaners
For over 80 years, Dependable Cleaners has offered more than the average Denver dry cleaners. Now, amidst concern over COVID-19, they're committed to being part of the solution. They wash just about everything, including blankets and pillows. With ultra-high wash temperatures that kill any living viruses within the first 2 minutes of washing, their advanced methods and trusted techniques can help keep your family safe. Plus, they deliver your laundry right to your door. [Learn more & find a location near you.](#)

America's Largest Employers Respond to COVID-19

Based on the latest data, 50% of the top employers have made special customer accommodations and set up work from home policies. 36% have established paid sick leave policies and instituted some kind of manufacturing or service shifts to help the nation respond to the crisis. So far, only 4% have announced any layoffs, and 7% temporary furloughs. [Read more at Just Capital.](#)
