#### Connection Builders

Alex Drost is a founding partner of Connection Builders, a Professional Development organization focused on helping middle-market professional Connect, Grow, and Excel. Alex draws on his previous experience as a Vice President of a boutique investment bank with entrepreneurial roots. During Alex's time in investment banking, he was responsible for leading deal execution of sell-side and capital raise engagements ranging from \$10-100+ million in transaction value. Today, Alex focuses on curating best-in-class recourses to promote professional growth and development.
