Jake Droppers is a Partner at Varnum LLP and is a member of their Corporate Services and M&A Team. Jake's focus is in business and transactional work with a strong emphasis on mergers and acquisitions (M&A), private equity, venture capital and other commercial transactions. Jake also has experience with day-to-day business issues from a legal perspective and has experience in corporate structuring, succession planning, securities regulation, and a wide variety of other commercial transactions. He has experience working with businesses ranging from early stage start-ups to mature, privately held businesses of all sizes.

Jake grew up in Kalamazoo, Michigan and received his Bachelors in Economics from Hope College with minors in Mathematics and Spanish. After graduating from Hope College, Jake worked in Chicago for one year before attending Indiana University Maurer School of Law.
