*Travel the New Business Trail on Horseback at
 ACG Orange County's Unique Networking Event*

We think it's time to spur business development in 2021, and what better way to do it than with fellow ACG OC members and guests on horseback? It's safe,* socially distanced, and so easy – even for beginners.

Experience the natural beauty of Irvine Regional Park, as you embark on a guided tour of some of the most breathtaking protected land in Orange County. We will gather in two groups (see time slots below), meandering through historic groves and watching wildlife in their native habitat. Then, it's back to base camp for beverages and appetizers.

Tickets are limited, so giddy up and get yours TODAY!
