ACG Orange County's December Academy focuses on how companies are cultivating new growth opportunities in cannabis. Among the topics our expert panel will discuss: insights into IP protection; licensing and regulatory compliance; ensuring integrity of assets in mergers and roll-ups; insurance; and other topics relevant to retail dispensaries, cultivators, manufacturers, distributors, non-storefront delivery services, investors, and Multiple Service Operators (MSO's).

Join us as we break new ground in one of the fastest growing fields in M&A, and bring your appetite. We'll be serving up a sandwich, lunch salad, and plenty of networking.
