

## ACG DFW Corporate Executive Roundtable Series

### About ACG DFW

The Association for Corporate Growth, Dallas/Fort Worth Chapter (ACG DFW) is an M&A networking organization for accomplished professionals whose success is linked to middle market deals and transactions. ACG DFW serves as a conduit for forming powerful relationships with the key players of DFW's middle market community including strategic acquirers, private equity, family offices, intermediaries, lenders, and advisors, by hosting high quality educational programs and deal focused networking events.

### Corporate Executive Roundtable Series

The ACG DFW Corporate Executive Roundtable Series is a custom set of events designed specifically for C-Level Executives who are directly involved with M&A, capital raising, and other internal growth strategies. This year we will be conducting an interactive quarterly series highlighting local mid-market companies that have a unique story to tell. These companies have experienced growth as a result of mergers, acquisitions and/or capital raises; and are willing to share their best practices. Our sessions will be held in an invite-only environment where information exchange will be encouraged. Our hope is to create a peer group that can learn from one another and add value to each other's respective enterprise. Some of our previous speakers include Brian Mahavier – VP of Strategy and Business Development at U.S. Concrete, Michael Stroup – Senior VP of Acquisitions at United Surgical Partners, Charlie Morrison – President & CEO of Wingstop, Scott Wheeler – CFO & EVP of Daseke, Inc., and Sanjiv Patel – President & CEO of Lord Nut.

### Benefits of Sponsorship

Sponsoring ACG DFW events provides 360-degree exposure and a resource rich environment for middle market M&A transactions. There is infinite value in the 14,500 ACG Global connections and 700+ local member connections with other corporate executives, groups, intermediaries, and professional services advisors. Government and academic groups have a vested interest in the focus of ACG DFW as an organizing body, helping to shape our state's economic future.
