# About ACG

Dear fellow business leader:

*As you consider opportunities to maximize your personal and company growth in the coming year, I would like to personally encourage you to consider the many benefits of becoming a member of the St. Louis chapter of The Association for Corporate Growth – or ACG.*

The Association for Corporate Growth was founded in 1954 and remains one of the premier global organizations for professionals involved in corporate growth, corporate development and mergers and acquisitions. For more than 60 years, ACG members have focused on strategic activities that increase revenues, profits, and ultimately, stakeholder value. Today, ACG membership globally totals in excess of 14,000 members from corporations, private equity, finance, and professional service firms representing Fortune 500, Fortune 1000, FTSE 100, and mid-market companies in nearly 60 chapters in North America and Europe.

*(continues opposite page)*

The Association for Corporate Growth provides members with practical information to develop sound corporate growth decisions. ACG emphasizes top quality performance, high earnings and well-founded corporate value.

Diverse business professionals formed the St. Louis chapter in 1985 and membership now totals more than 300 executives. Members count on an extensive peer network where they can test and exchange ideas.

*(President's Letter continued)*

In St. Louis, ACG totals more than 300 corporate leaders just like you with many of St. Louis' leading companies representing these sectors.

Corporate executives, intermediaries and private equity groups find ACG membership to be highly valuable. Joining ACG provides you with opportunities to become part of a global community of senior executives; share best practices with some of the world's leading CEOs, CFOs and corporate development officers; gain exposure to M & A opportunities from other corporate members, private equity groups and intermediaries – and this is only the beginning.

Of course, if you have any questions, please feel free to visit our web site ([www.acg.org/stlouis](http://www.acg.org/stlouis)) or call 314.862.6751.

I look forward to hearing from you and getting the chance to grow together.

Best Regards,

*Marty Moore*
