

Join Now!

Let ACG Connections start introducing you
to the deal-makers you're looking for!

ACG Connections is focused group of ACG Chapters finding more and better ways to connect and engage with their membership. A key benefit of your ACG membership is making new connections to help generate deal-flow!

To add value to the ACG offering; we have created a one-to-one peer networking platform for our members. Participation is completely voluntary. Members choosing to join ACG Connections will receive tailored 1-on-1 introductions to their fellow ACG Chapter and ACG Connections Global colleagues! You pick the introduction frequency; once a month, twice a month or weekly.

To get started, you may opt in by accepting your personalized email invitation or visit www.acgconnections.org and click “Get Started” at the top of the screen. Please use your email address on file with your local ACG chapter when signing up.

We look forward to welcoming you to ACG Connections and hope you approach each new introduction as a valuable stepping stone!

FYI: If you are interested in participating or adding your ACG Chapter to our community, please contact us at team@acgconnections.org

Expand your ACG deal-making network!

If the idea of being intelligently introduced to fellow ACG members sounds intriguing, then you're definitely in the right place!

Networking made easy

ACG Connections helps you take the “work” out of networking. Based on a series of simple questions, proprietary algorithms work to pair you with a fellow ACG Connections member that matches the criteria you are looking for in an ideal networking connection.

Let ACG Connections find you the right ACG colleague at the right time!

Networking on your schedule

Design the criteria that best suits your networking needs. Choose how often you want to be introduced to someone new and let us take it from there!

Leads Billboard: Our community wide bulletin board featuring member Needs, Offers, Questions, Polls and Updates is a fantastic ACG focused business development resource!

Networking that works

ACG Connections is constantly adapting to your preferences and aims to deliver introductions that match your requirements. Each one-on-one introduction is a mutual opportunity to expand your ACG network. After each introduction, help our matching engine learn by providing insightful feedback and notes about your experience.

Please contact us at team@acgconnections.org or visit www.acgconnections.org and let us find you great ACG opportunities!
