20th Anniversary Party Encourages Smiles, Community Building

Thank you to the nearly 200 individuals who attended our 20th Anniversary party on June 14th. Current, past and prospective members gathered for an evening of relationship building within their valued ACG community, a reminder of what ACG is all about. You know it's a good party when people show up early and stay late!

The terrace at the ART Hotel was the perfect setting for our high-energy crowd, as the DJ pumped up the jams into the night. As people left, they did so with smiles on their faces and apparent satisfaction in having built a lasting and meaningful organization. Thanks to all for making it great!

We'd like to recognize those individuals with 10+ years of membership as they helped us get more than half the way here. [Read more and view photos from the event here.](#)
