

About the ACG New Jersey Chapter:

The Association for Corporate Growth (ACG) is a national and international organization serving the corporate community by connecting leaders to each other. The New Jersey Chapter of ACG is part of this prestigious global network, but with its own local focus. We are comprised of high level leaders from “C” suite professionals including CEOs, CFOs, Corporate Developers, as well as private equity firms, commercial lending, investment banking, the legal and accounting sector and others. The Chapter is focused on supporting its members with the information, resources and great contacts that lead to growth and sustainability.

Our chapter hosts more than 50 events each year, ranging from social activities like our golf outing and summer corporate networking dinner to monthly networking breakfasts, regional programming in the Princeton and Morris areas, Field Trip Events to NJ businesses throughout the state, as well as unique programs for Women in Leadership (WOL), and events for the next generation of successor leaders who meet their peers through our Advancing Leadership Influence (ALI).

Our attendees and guest presenters reflect the highest level of decision makers in some of New Jersey’s most prestigious corporate companies and professional service firms.

Past Programs have included:

ADP, Crestron Electronics, Freshpet, Eagleton Institute of Politics, Rutgers University, Suburban Propane Partners L.P., Wilbur Ross, International Steel Group, Judy Spires, Chairman & CEO, Kings Food Markets, Tim Spring, former CEO, Marcal Paper Mills LLC, Bruce Raiffe, President, GUND, Sleep Innovations, Francois Nader, MD, former CEO, NPS Pharmaceuticals, PSE&G
