

# 2019 SOCIAL IMPACT AWARD

## Submission Form

The **AmCham Canada Social Impact Award** is an exciting initiative that highlights and celebrates a U.S. based company which has made a positive social impact in Canada over the past year.

By featuring the award recipient's positive contribution to its community, AmCham Canada is encouraging the cross-border community to extend its focus beyond trade and the economy. We hope this award further builds on the positive and constructive collaboration between the U.S. and Canada through the sharing of positive stories.
