

## **JAMES GELFER**

Senior Analyst  
PitchBook

James currently is a Senior Analyst at PitchBook Data, a Seattle-based private markets research firm that was acquired by Morningstar in 2016. He leads PitchBook's fund performance analysis and helps to guide broader research initiatives across private equity and venture capital. Prior to joining PitchBook, James was an Associate with Goldman Sachs' Alternative Investment & Manager Selection (AIMS) group, where he conducted research across all alternative asset classes. He holds a bachelor's degree from Whitworth University and is a Level II candidate in the CFA Program
