

Service Provider in Waiting

To become an active member of ACG Nebraska and begin to attend meetings free of charge, we ask that a Service Member in Waiting recruit one new Corporate or Private Equity member to join either ACG Nebraska; OR invite 2 qualified Corporate Guests to attend an ACG Nebraska breakfast meeting.

ACG Nebraska Programs

As a Service Provider in Waiting, if your candidate would like to be introduced to ACG prior to considering membership, you are allowed to attend ACG meetings with qualified corporate candidates as your guest. Please first contact the ACG Nebraska office with your guest's name and contact information. Meeting attendance is no cost for your qualified candidate and \$25 per meeting for you.

ACG Nebraska Membership Criteria

As you evaluate potential candidates, please consider our selection criteria:

- Role – See attached [Membership Profile Sheet](#). Members falling under the "Corporate and Capital Provider" headings are considered **corporate** candidates for these purposes.
- All candidates are reviewed by the Membership Committee

Once you have identified a prospective Corporate or Equity member, please contact Kalli Mustard at kmustard@acg.org to begin their application process. Upon their approval by the ACG NE Membership Committee, you and your prospect will be notified and both memberships will be active with payment of dues.
