Have a question or topic you would like addressed? You can submit it in advance or live during the webcast.

Featuring:

Michael Stritch
Chief Investment Officer,
BMO Wealth Management
As Chief Investment Officer and National Head of the Investment team, Michael chairs the Personal Asset Management Committee and is responsible for setting investment policy and strategy for our clients throughout the United States.

Yung-Yu Ma, Ph.D.
Chief Investment Strategist,
BMO Wealth Management
As Chief Investment Strategist, Yung is responsible for performing macroeconomic analysis, valuation modeling and market analysis across asset classes to guide strategic and tactical asset allocations for client portfolios.

George Farmer, Ph.D.
Managing Director,
BMO Capital Markets
George joined BMO Capital Markets Equity Research as an analyst covering Biotechnology in August 2018. Most recently, George was Chief Executive Officer of Cortice Biosciences, Inc., a privately held biotechnology company in New York City, and served as Vice President of Corporate Development at Synta Pharmaceuticals, a publicly traded drug development company in Boston. Prior to these positions, George was a Senior Biotechnology Analyst for 12 years, working with Canaccord Genuity, Wachovia Capital Markets, and Fortis Securities. George also completed postdoctoral fellowships at Sloan Kettering Cancer Center and University of California San Francisco after receiving his Ph.D. from Columbia University.
